POLITICAL COMMITTEES ESTABLISHED BY OR ON BEHALF OF A LOBBYIST
2010 REGULAR SESSION OF THE CONNECTICUT GENERAL ASSEMBLY

This list is issued by the Commission as required by the provisions of §9-610(f), General Statutes. It contains the name of each political action committee (PAC) which is *barred from receiving political contributions during the 2010 legislative session* from individuals who are registered client lobbyists and those political committees which appear on the list entitled "*Political Committees Established by or On Behalf Of A Client Lobbyist.*"

The ban applies from the opening of the regular session on February 3, 2010 until adjournment sine die on May 5, 2010 and also applies during any special session occurring between the adjournment of the 2009 session and the convening of the regular session. Candidate and exploratory committees for statewide office and the General Assembly are also barred from receiving client lobbyist contributions during the session, including those committees of candidates who ran in previous elections for such offices, and which have deficits. Statewide office refers to the offices of Governor, Lt. Governor, Secretary of the State, Treasurer, Comptroller and Attorney General.

In accordance with General Statutes § 9-610(f) any political committee established by two or more individuals is subject to these restrictions if its treasurer failed to certify to the Commission that it was "not established (a) for an assembly or senatorial district, (b) by an elected statewide official, a member of the General Assembly, or their agent, or (c) in consultation with or at the request or suggestion of any such official, member or their agent, or controlled by such official, member or agent." District committees are separated from the other political committees on this list for ease of identification.

This list has been distributed to each statewide officer and legislative leader enumerated in §9-610(f), General Statutes. It is also available on our website at the above address. Any supplemental list(s) of newly registered political committees, which are subject to these restrictions, will be similarly distributed.

Questions concerning application of these restrictions should be directed to the Commission at the address and telephone provided above.
